Person requesting disposal: David Marchant, Museums Registrar

Date reviewed by Collections Team: 17/9/2024

Date confirmed by Service Manager: 28/04/2025

Notice is hereby given that the Council intends to dispose of a portion of its catalogued and uncatalogued museum artefacts in the **East Riding Museums Collection**, as detailed above.

As an Accredited Museums Service, under the terms of our Collections Development Policy, we are obliged to seek *“the views of stakeholders such as donors, researchers, local and source communities and others served by the museum”* as part of the disposal process. The items listed have been selected because they are not relevant to the East Riding Museum Service’s current collecting policy, they are duplicates and/or they are in very poor condition.

These artefacts are in the first instance being offered to Accredited museums with relevant collections and then subsequently advertised on the Museums Association website; Following advertisement, if no expressions of interest are received from other Accredited museums and no other offers have been received, any remaining items will be de-accessioned from the collections and physically disposed of.

The disposal process is being carried out in accordance with the Museums Association Code of Ethics and following the Collections Development Policy, which has been formally adopted by East Riding of Yorkshire Council and approved by the Museums Libraries & Archives Council.

The closing date for enquires will be 5th November 2025

If you wish to acquire by transfer any of the artefacts or wish to obtain further details, please contact:

David Marchant, Museum Registrar – david.marchant@eastriding.gov.uk
